TO OUR VALUED CUSTOMERS:

We have discovered that the RCL-Intermediate Leader's Guide for Fall-B 2009 was bound incorrectly.

The Leader's Guide does include full sessions for each Sunday, however the pages are not bound in the correct order. Fortunately, each page does reflect a correct page number.

We discussed the option of reprinting this guide, but in the interest of environmental stewardship (especially since all the material is in the book), we have decided instead to alert you to the problem.

What This Means to You

If you normally remove the pages each week you will be able to put them in order by following the page numbers.

If you normally keep the guide intact throughout the season you will need to locate and remove pages 33-40 and place them to follow page 32.

HOW THE BOOK IS BOUND:

- Pages 1-32 are correct. This includes the introduction, Sessions 1, 2 and 3, and the first four pages of Session 4
- Then the guide jumps to Sessions 6 and 7, followed by the first four pages of Session 8 (pages numbered 41-56)
- Next are the last two pages of Session 4 and all of Session 5 (pages numbered 33-40)
- Lastly are the last two pages of Session 8 followed by Sessions 9, 10, 11 and 12 (pages numbered 57-82)

We apologize for any inconvenience this error causes and sincerely thank you for selecting our curriculum to meet the faith formation needs of your congregation.
